## **Notice Regarding Partial Corrections of Financial Report and Supplemental Materials for Previous Fiscal Years**

PARK24 CO., LTD. (the "Company") found inaccuracies in the previously reported numbers of UK-based Localized Times Parking (the "TP") sites and spaces in operation, as described in the "Notice Regarding Postponement of Financial Results Announcement for the First Six Months of the FY2025 and Consideration of Application for Extension of Due Date for Submitting Semi-annual Report" dated May 30, 2025. As a result, the figures for the Group's total parking sites and spaces — including those in the UK (both TP and other sites) and other overseas regions — were also affected.

Because the relevant information is included in not only consolidated financial reports posted on the Company's corporate website but also in supplemental materials, the Company will make corrections by presenting a list of errata\*. Since the consolidated financial reports for previous fiscal years and their supplementary materials, which are posted on the Company corporate website, do not reflect the corrections, this list of errata should also be referred to when viewing such reports and supplementary materials.

\*Taking into consideration the importance of relevant information, the list of errata covers the period from the end of the fiscal year ended October 31, 2023 to the first quarter of the fiscal year ending October 31, 2025.
