### **Notice Regarding Disposal of Treasury Stocks as Restricted Stock Compensation**

PARK24 CO., LTD. (the “Company”) hereby announces that at a meeting of Board of Directors held on January 29, 2026, it passed a resolution to dispose of its treasury stocks (hereinafter the “Disposal of Treasury Stocks” or “Disposal”) as described below.

#### 1. Overview of the Disposal

(1) Disposal date	February 26, 2026
(2) Type and number of shares to be disposed of	65,297 shares of common stock of the Company
(3) Disposal price	2,175.0 yen per share
(4) Calculation basis of disposal price and relevant details	In order to eliminate arbitrariness, the disposal price is set at the closing price of the Company’s common stock in the Prime Market of the Tokyo Stock Exchange on January 28, 2026 (business day preceding the date of resolution of the Board of Directors). This is the market price immediately before the date of resolution of the Board of Directors, and the Company believes that it is reasonable and does not constitute an advantageous price.
(5) Total disposal amount	142,020,975 yen
(6) Allotees, number thereof, and number of shares to be disposed of	Two Directors of the Company who are neither members of Audit and Supervisory Committee nor Outside Directors: 19,956 shares Six Corporate Officers who are not Directors of the Company: 9,357 shares Nine Directors of the Company's subsidiaries: 35,984 shares
(7) Other	We have filed an Extraordinary Report(Japanese only) under the Financial Instruments and Exchange Act regarding The Disposal of Treasury Stocks.

## 2. Purpose and reasons for the Disposal

At a meeting of the Board of Directors held on December 15, 2021, the Company passed a resolution to introduce a restricted stock compensation system as a new compensation system (hereinafter referred to as "the System") for Directors (excluding Directors who concurrently serve as members of Audit and Supervisory Committee and Outside Directors. Hereinafter, "Eligible Directors"), Corporate Officers who do not currently serve as Directors of the Company and Directors of the Company's subsidiary. The system aims to provide these Directors (hereinafter referred to collectively as "Eligible Directors, etc.") an incentive to continuously increase the Company's corporate value and further facilitate value sharing with shareholders. Also, the Company received approval for the following points at the 39th Ordinary General Meeting of Shareholders held on January 25, 2024.

- Based on the System, compensation to be paid for granting restricted stocks to Eligible Directors, etc. (hereinafter, "the Restricted Stock Compensation") shall be in the form of monetary claims. The total annual amount of such monetary claims shall be 200 million yen or less (excluding the employee wages of Directors who also serve as employees), and up to 200,000 shares of the Company shall be issued or disposed of.
- The transfer restriction period of restricted stocks shall start from the day when an Eligible Director, etc. receives an allotment of the Company's common stock according to a restricted stock allotment agreement concluded between the Company and the Eligible Director, etc. The period shall last until immediately after his/her resignation or retirement from a position determined by the Company's Board of Directors among the managerial positions of the Company or one of its subsidiaries.
