Notice Regarding Rescheduling of Announcement of Financial Results for the Second Quarter of FY2021

PARK24 CO., LTD. (“the Company”) offers its deepest condolences to everyone affected by the loss of life caused by the COVID-19 and sincerely hopes for the quick recovery of those who have become infected and those experiencing difficult times due to this pandemic.

The Company has decided to reschedule an announcement regarding its financial results for the second quarter of the fiscal year ending October 31, 2021.

1. Rescheduled date of financial results announcement

The Company plans to make an announcement on Monday, June 14, 2021 (JST).

2. Reason for the rescheduling of financial results announcement

The Company had been making the necessary preparations to announce financial results for the second quarter of the fiscal year ending October 31, 2021 on Monday, May 31, 2021. While these preparations were under way, the spread of COVID-19 has been continuing unabated worldwide. In Japan, the government lifted the state of emergency nationwide in March. However, as the number of new COVID-19 infection cases has increased slightly, the government placed some areas under a new “quasi-emergency” state with stricter measures instead. In overseas, the governments of some countries have issued strongly enforced lockdowns and restrictions of activities.

As a result, it is taking longer time than usual for the Company and its consolidated subsidiaries to complete the work of financial reporting, including auditing procedures. We therefore have decided to reschedule the initially planned announcement of financial results.

3. Financial results briefings

The Company has been holding financial results briefings meeting for the second quarter for institutional investors and analysts by online. The upcoming presentation is scheduled for on Tuesday, June 15, 2021 (JST).

The Company regrets any inconvenience caused to its shareholders and investors, and sincerely appreciates their understanding.
